

**Think an  
explosion will  
never happen  
in your facility?**

Dust and gas explosions are deadly and commercially devastating. Many facilities are at risk, but just don't know it. Fike is a global leader in the development and manufacture of reliable explosion protection solutions. And we offer a wide range of explosibility tests designed to assist you in identifying costly explosion hazards.

***Rely on Fike's Explosion Protection Expertise***

*With over 40 years experience in developing innovative explosion protection technologies, Fike has the expertise to help you improve the safety of your facility and comply with changing regulations... all without spending a fortune.*

**Fike®**
